August 3, 2020

The Leyden-Norwood Athletic Conference (LNAC), has reviewed the health guidelines set forth by the Illinois Department of Public Health (IDPH) and the Illinois High School Association (IHSA). Continuous updates are being released, but due to increased risk associated with the spread of COVID-19, the athletic conference has made the decision to postpone all fall sports/activities.

The Leyden-Norwood Athletic Conference recognizes the importance of interscholastic activities in our school setting and we are hopeful that we can develop a modified plan for sports/activities this school year. The health and safety of all our participants, coaches, officials, and families is most important when making these decisions.

The Leyden-Norwood Athletic Conference will continue to communicate with all districts during the next few months. Please know that the conference is looking forward to bringing interscholastic athletics back, while working diligently to follow all guidelines and recommendations.

Sincerely,

Bob Biedke
Director of Athletics
Leyden-Norwood Athletic Conference

The mission of the Leyden Norwood Athletic Conference is to promote sportsmanship, integrity, safety and the teaching of fundamental life skills by enriching the educational experience through competitive extra-curricular activities.
